Move your church from small-picture to big-picture worship

A pastor's role in shaping worship is vital. But what if preaching isn't just one part of worship? What if preaching is worship? In *Preaching as Worship*, veteran preacher Michael Quicke encourages those who preach to open their eyes afresh to glorious big-picture worship--grounded in Trinitarian theology and focused on the pivotal role of Scripture as it directs gathered worship for community formation--urging them to restore worship as an encounter with God. This unique and insightful book offers a clear call for preachers to rethink their worship responsibilities and the importance of preaching--for the sake of their church members and their God.

"Michael Quicke's winsome and insightful exploration of preaching as an integral component and reflection of Trinitarian worship is a welcome contribution to thoughtful literature on both preaching and worship. For too long, one has been viewed as simply a prelude or culmination of the other. Quicke helps us understand how worship and preaching function organically and holistically to honor the persons of the Godhead who also comes to us as one."--**Bryan Chapell**, president, Covenant Theological Seminary; author, *Christ-Centered Preaching*

"This book stretched me and enriched my understanding of preaching and worship."--**Craig Brian Larson**, editor, PreachingToday.com

Michael J. Quicke is C. W. Koller Professor of Preaching and Communication at Northern Seminary in the Chicago area and preaches and lectures across the world. He is the author of *360-Degree Preaching* and *360-Degree Leadership*.
