Apples: From Harvest to Table Amy Pennington

Praise for *Apples: From Harvest to Table* by Amy Pennington:

"Apples are most commonly associated with sweet foods, and Pennington's recipes for breakfasts and desserts, including apple pancakes, apple-stuffed French toast, apple cider doughnuts, and, of course, apple pie showcase their sweetness perfectly. **But Pennington goes far beyond the expected.** Like many of the other recipes, it bursts with several exciting flavors that blend together perfectly to create something wonderful and unexpected." - **San Francisco Book Review**

"A true apple lover knows a bite of fall's favorite fruit is a complex thing.

To the untutored palate, an apple may be just an apple, but to Pennington, a New York native who runs the GoGo Green Garden business in Seattle, it is a globe of surprises." - **Palm Beach Post**
