Evangelical Feminism and Biblical Truth: An Analysis of More Than 100 Disputed Questions Wayne Grudem

What does the Bible really teach about the roles of men and women? Bible scholar Wayne Grudem carefully draws on 27 years of biblical research as he responds to 118 arguments often levied against traditional gender roles. Grudem counters egalitarian and feminist critiques with clarity, compassion, and precision, showing God's equal value for men and women while celebrating the beauty in their differences.
