Giggling In Fairmont Jesse James

A tale of mafia, hogs, contract killers, back woods justice, and lovers caught in the mix of it all. From the coal miners widow, Manny the man eater, T.J., Ralphie, and Frankie, you will find yourself rooting for the bad guy in this twisted tale that is all orchestrated by Big T.

Jesse James is a West Virginia native that traveled extensively writing about personal experiences. Some wonder if any of his tales really had any ties to growing up in Appalachia. There were some that thought there possibly could be a place that cultivated these stories from real events.
