## **Historia de la Patagonia (Spanish Edition)** Susana Bandieri

Una historia integral de la Patagonia en donde lo económico, lo político y lo socio-cultural se entrelazan para su mejor comprensión. Esta historia se propone superar, con una visión de síntesis, moderna e integradora, las que existen actualmente sobre la región, más fragmentarias y dispersas. Dentro de sus contenidos podemos destacar: descripción geográfica, arqueología, antiguos habitantes, corsarios y exploradores, científicos y comerciantes, la ocupación en el período virreinal, creación de los Territorios Nacionales, poblamiento luego de la ocupación militar, colonización pastoril, actividad minera, el turismo como factor de desarrollo, y la historia política de los Territorios hasta la actualidad
