Sick Justice

Ivan G. Goldman

Sick Justice Ivan G. Goldman

In America, 2.3 million people—a population about the size of Houston—are, the country's fourth-largest city—live behind bars. *Sick Justice* explores the economic, social, and political forces that hijacked the criminal justice system to create this bizarre situation. Presenting frightening true stories of (sometimes wrongfully) incarcerated individuals, Ivan G. Goldman exposes the inept bureaucracies of America's prisons and shows the real reasons that disproportionate numbers of minorities, the poor, and the mentally ill end up there.

Goldman dissects the widespread phenomenon of jailing for profit, the outsized power of prison guards' unions, California's exceptionally rigid three-strikes law, the ineffective and never-ending war on drugs, the closing of mental health institutions across the country, and other blunders and avaricious practices that have brought us to this point.

Sick Justice tells a big, gripping story that's long overdue. By illuminating the system's brutality and greed and the prisoners' gratuitous suffering, the book aims to be a catalyst for reform, complementing the work of the Innocence Project and mirroring the effects of Michael Harrington's *The Other America: Poverty in the United States* (1962), which became the driving force behind the war on poverty.

From reader reviews:

Shawna Vaughn:

This Sick Justice are generally reliable for you who want to certainly be a successful person, why. The reason why of this Sick Justice can be among the great books you must have is definitely giving you more than just simple examining food but feed an individual with information that perhaps will shock your previous knowledge. This book is usually handy, you can bring it almost everywhere and whenever your conditions at e-book and printed types. Beside that this Sick Justice forcing you to have an enormous of experience including rich vocabulary, giving you tryout of critical thinking that we understand it useful in your day pastime. So , let's have it and revel in reading.

Sarah Davis:

Reading a e-book tends to be new life style in this era globalization. With examining you can get a lot of information that will give you benefit in your life. Having book everyone in this world can share their idea. Guides can also inspire a lot of people. Lots of author can inspire all their reader with their story as well as their experience. Not only the story that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on this planet always try to improve their ability in writing, they also doing some study before they write with their book. One of them is this Sick Justice.

Christine Scott:

Many people spending their period by playing outside having friends, fun activity having family or just watching TV all day every day. You can have new activity to spend your whole day by reading a book. Ugh, you think reading a book can really hard because you have to bring the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Mobile phone. Like Sick Justice which is having the e-book version. So , why not try out this book? Let's observe.

Jason Norfleet:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Sick Justice can make you truly feel more interested to read.
