Sureblood (Hqn) Susan Grant

Five years ago rival space pirate captains Val Blue and Dake Sureblood stole one incredible night together. But their brief, passionate history ended with the assassination of Val's father and the condemnation of Dake's clan. Now Val struggles to prove her mettle—to herself and to the dissenters amid her own people. Every successful raid is a boot heel ground into the burning memory of Dake Sureblood—and their secret son is a constant reminder of their shared past....

Ambushed and captured before he can clear his name, Dake Sureblood returns from a hell like no other to expose the true killer of Val's father. But as the identity of their enemy becomes chillingly clear, the former lovers must put aside their mistrust and join forces to protect their clans and their precious son.
