Cultivate the 3 Cs in young learners to strengthen future academic achievement!

Research shows that children with positive social skills, a creative nature, and a love of learning experience success in later school years. This resource shows how to promote school readiness by giving young students a *desire* to learn, teaching them *how* to learn, and nurturing empathy, emotional intelligence, and problem solving. The book provides:

- Abundant activities that are fun, easy to use, and developmentally appropriate
- Engaging sidebars highlighting teacher/student dialogue
- Methods for integrating the 3 Cs into the curriculum and meeting state standards
- Recommendations of related children's books
