Tipping the Valet (Workplace Mysteries) K.K. Beck

Affable young parking valet Tyler Benson, a master of bad timing, is accidentally involved in cases of auto theft and murder on the lot at Alba, an upscale Seattle restaurant. There's a body in a parked car, and someone shooting at tech zillionaire Scott Duckworth. Mysterious Italian beauty Flavia Torcelli and even Tyler's spectacularly unsuccessful dad seem somehow connected to the crime wave. The more Tyler tries to sort things out, the more the police are convinced he's the guilty party. ...Oh, and a collection of inept but homicidal Russian mafiosi seems to be after him, too. "A canny sense of humor and timing... Beck is masterly in pulling all these madcap threads together even as the rollicking suspense threatens to careen out of control (but never does)."—Publishers Weekly (starred review 7/6/15)

From reader reviews:

Kenneth Wallace:

What do you about book? It is not important with you? Or just adding material when you really need something to explain what the one you have problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is make you feel bored faster. And you have free time? What did you do? Every individual has many questions above. They need to answer that question since just their can do that. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this particular Tipping the Valet (Workplace Mysteries) to read.

Donna Salerno:

As people who live in the actual modest era should be upgrade about what going on or info even knowledge to make these keep up with the era that is always change and move ahead. Some of you maybe will probably update themselves by reading books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what kind you should start with. This Tipping the Valet (Workplace Mysteries) is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Emery Flores:

Nowadays reading books become more and more than want or need but also become a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The data you get based on what kind of guide you read, if you want get more knowledge just go with education and learning books but if you want truly feel happy read one together with theme for entertaining like comic or novel. Typically the Tipping the Valet (Workplace Mysteries) is kind of reserve which is giving the reader unpredictable experience.

Elizabeth Cornelius:

Within this era which is the greater individual or who has ability in doing something more are more special than other. Do you want to become considered one of it? It is just simple solution to have that. What you must do is just spending your time not very much but quite enough to experience a look at some books. One of many books in the top record in your reading list is usually Tipping the Valet (Workplace Mysteries). This book which is qualified as The Hungry Slopes can get you closer in getting precious person. By looking up and review this e-book you can get many advantages.
