## **Viento Norte (Spanish Edition)** Tristán Vela

Viento Norte es el tercer libro de Tristán Vela. Y al igual que en El Percatarse y Lago estos poemas configuran un refugio vital: El autor se arranca versos como espinas de zarzamora y sus creaciones parecieran el último río de libertad (y la humanidad necesita agua). En estas páginas conviven composiciones estróficas muy diversas, trabajadas con la prolijidad del artesano y la frescura rítmica propia de la versificación del Hip Hop. Con Tristán Vela la poesía nace, lo que significa que ya no estamos frente a un autor en ciernes sino delante de uno que ha permitido que sus creaciones dialoguen con una fecunda tradición lírica.

### From reader reviews:

#### **Leticia Cantrell:**

Book is definitely written, printed, or highlighted for everything. You can realize everything you want by a reserve. Book has a different type. As it is known to us that book is important matter to bring us around the world. Adjacent to that you can your reading ability was fluently. A reserve Viento Norte (Spanish Edition) will make you to become smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think this open or reading a new book make you bored. It isn't make you fun. Why they might be thought like that? Have you in search of best book or appropriate book with you?

#### **Virginia Boone:**

As people who live in often the modest era should be change about what going on or information even knowledge to make them keep up with the era that is certainly always change and make progress. Some of you maybe can update themselves by reading books. It is a good choice in your case but the problems coming to you actually is you don't know which one you should start with. This Viento Norte (Spanish Edition) is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

#### **Samantha Peay:**

This Viento Norte (Spanish Edition) is great reserve for you because the content that is certainly full of information for you who also always deal with world and possess to make decision every minute. This kind of book reveal it data accurately using great arrange word or we can say no rambling sentences inside it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but hard core information with wonderful delivering sentences. Having Viento Norte (Spanish Edition) in your hand like finding the world in your arm, facts in it is not ridiculous a single. We can say that no book that offer you world with ten or fifteen small right but this e-book already do that. So , this is good reading book. Hey Mr. and Mrs. busy do you still doubt that will?

#### **Robert Hill:**

Many people spending their period by playing outside together with friends, fun activity having family or just watching TV all day long. You can have new activity to pay your whole day by reading a book. Ugh, think reading a book can actually hard because you have to use the book everywhere? It all right you can have the e-book, delivering everywhere you want in your Cell phone. Like Viento Norte (Spanish Edition) which is getting the e-book version. So , why not try out this book? Let's notice.
