Edge of Dawn Patti O'Shea

Glass artist Shona Blackwood has lost her ability to create, but instead of panic, all she feels is apathy. Her detachment is shaken when she narrowly avoids being mugged, thanks to a timely rescue by a man who makes all her senses come roaring to life.

Logan Andrews is a magical troubleshooter assigned to protect Shona from an unseen enemy. Shona is unaware that magic actually exists and Logan is under orders not to tell her, but it isn't long before he finds his loyalty torn between his people and the passionate woman he is guarding.

He thought this would be a straightforward job, but Logan quickly realizes that in an edgy contest between magic and passion, love is destined to win.
