## **La tierra del fuego (Spanish Edition)** Sylvia Iparraguirre

En 1830 se llevó a cabo un extraño experimento, que puso en contacto dos mundos alejados en el tiempo y en el espacio. Jemmy Button, indio yámana del Cabo de Hornos, fue trasladado a Londres por el navegante Fitz Roy, junto a otros compañeros, a fin de asimilarlos a la cultura británica. El contacto entre este "buen salvaje" y una ciudad en la cima del progreso pondrá en evidencia el fracaso de la empresa, que culminará, años después, en un insólito juicio en las islas Malvinas.

La tierra del fuego son las memorias de John William Guevara, hijo bastardo de inglés y criolla. La ficción dispondrá en un encuentro en el remoto sur entre Guevara y Button. La inesperada fraternidad entre estos habitantes de los confines -la Pampa y la Tierra del Fuego- quedará sellada por una tragedia que la historia jamás atinó a reivindicar. Relato de caminos, de confluencias, La tierra del fuego incita a una lectura revisionista -el informe de ultramar, la crónica de viaje del siglo XIX- a la vez que, eminentemente actual, reflexiona sobre el acto de escritura.

La crítica ha dicho...

«Libros de viaje, geografías lejanas, descripciones navieras, experiencias ajenas, todo debió acechar en la trastienda de este libro para que la narración surgiera tan coherente y verosímil como en efecto es. Todo debió acechar y todo debió ser olvidado para que el texto hablara desde el lenguaje y la piel de otro. Sylvia Iparraguirre parece sugerir que no hay fronteras para un escritor, salvo las que marcan la pasión y el talento. De las dos da cuenta esta bellísima novela.»

Liliana Heker, Clarín

The writer makes some research previous to write this book. This specific book very easy to read you will get the point easily after reading this article book.

#### **Dianne Haire:**

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this La tierra del fuego (Spanish Edition) can make you really feel more interested to read.
