"Mark Musa, in editing and translating Petrarch's Canzoniere, has performed a wonderful service to the English-speaking reader. Here, in one volume, are included the poet's own selection of the best lyric verse he wrote throughout his life, accompanied by brief but useful notes... " —Chronicles

"As well as skillful and fluent verse renderings of the 366 lyrics that make up this milestone in the development of Western poetic tradition, Musa offers copious and up-to-date annotation to each poem... along with a substantial, sensitive, and intelligent introduction that is genuinely helpful for the first-time reader and thought provoking for Petrarch scholars and other medievalists." —Choice
