## **Philosophy of the Buddha: An Introduction** Christopher Gowans

*Philosophy of the Buddha* is a philosophical introduction to the teaching of the Buddha. It carefully guides readers through the basic ideas and practices of the Buddha, including *kamma* (karma), rebirth, the not-self doctrine, the Four Noble Truths, the Eightfold Path, ethics, meditation, non-attachment, and *Nibbâna* (Nirvana).

The book includes an account of the life of the Buddha as well as comparisons of his teaching with practical and theoretical aspects of some Western philosophical outlooks, both ancient and modern. Most distinctively, *Philosophy of the Buddha* explores how Buddhist enlightenment could enable us to overcome suffering in our lives and reach our full potential for compassion and tranquillity.

This is one of the first books to introduce the philosophy of the Buddha to students of Western philosophy. Christopher W. Gowans' style is exceptionally clear and appropriate for anyone looking for a comprehensive introduction to this growing area of interest.
