Primal: Ellora's Cave Nathalie Gray

He's the worst of the bad, the deadliest weapon of them all, except to her...then he's the gentlest teddy bear. Liberty was the first member on the lycanthrope team of soldiers-for-hire. Her specialty is technology. She's seen every member join, some of them to stay, others to leave — permanently. One colleague has always managed to make her lose her legendary cool. Unlike her, Cupcake hails from a humble background, hasn't a credit to his name and lets people think he's just a mountain of muscle, all brawn and no brain. Liberty knows better and has lusted after the quiet, towering lycan with the serious eyes for years, silently wishing he'd just make his move. But he hasn't so far, even if there are days she swears there's a bit of fire in his pale eyes, a hint of longing in the way he glances at her when he thinks she's not looking.
