Dane Curse (Black Cape Case Files) (Volume 1) Mr Matt Abraham

If you lose a black cape, and can't go to the cops, then you come to me because that's what I do. I've been in the game for years. I know all the curves and all the angles, and if it gets rough then so be it, I got plenty strength, I'm double tough, and I never quit. And if need be I'll pull my artillery to get you some answers, because I don't care about the mistakes you've made or how you chose to live your life, sometimes even the unjust deserve a little justice.

At least that's how it was before a mysterious murder threatens to plunge Gold Coast City into a super powered war unless I find the killer in five days' time. But getting to the truth won't be so easy. I'll have to face ruthless black capes with secrets to hide, a powerful government agency bent on national expansion, and even teams of white caped heroes whose intentions are less than pure.

No easy task for a small time PI, so I'll need every bit of my strength and guts if I'm going to find the killer, save my city, and maybe even get some justice for the greatest hero the world has ever known.

And now available exclusively on Amazon is The Coconut Swindle! In this exciting follow up to the critically acclaimed Dane Curse, Matt Abraham, Pulp Detective's 2015 Newcomer of the Year, takes us on our second trip through Gold Coast City. It's Dane's very first case, the one that made the agency, but almost broke the man. If you like white knuckled action, devious dames, and heroic villains then get your copy today, and saddle up with the most exciting detective since Harry Dresden!
