Jeep Off-Road (Gallery) Tom Morr

Long before off-roading took so many drivers off the beaten (or paved) path, Jeep was there. Off-roading is what Jeep was made for, more than 65 years ago, and things have only gotten better. This book shows readers why. Tom Morr, an off-road aficionado, takes readers into every aspect of the sport. The vehicles, the modifications, the courses, the events: it's all here in fascinating detail, illustrated with hundreds of full-color action photos. Morr details techniques that off-road drivers use in major competitions, including insider information about modifications and technical stats. This book has everything a Jeep off-roader--or fan--could hope for. Jeep Off-Road will thrill beginners, enthusiasts, and long-time Jeep off-roaders.
