**Julián del Casal o los pliegues del deseo (Spanish Edition)** Francisco Morán

El libro de Francisco Morán es un penetrante estudio de una de las voces más importantes de la poesía cubana y latinoamericana. Mediante un profundo examen de la obra de Casal, el autor ilumina la complejidad de las pasiones del poeta y sus deseos homoeróticos y estudia con acierto sus esfuerzos por crear un lenguaje con que expresarlos. Morán también nos proporciona una vívida exploración de La Habana de Casal y un agudo análisis de su contexto social y cultural. Este libro es una contribución original que resistirá la prueba del tiempo . Arcadio Díaz Quiñones (Universidad de Princeton)
