Necklace of Kisses Francesca Lia Block

Where were the kisses? Weetzie Bat wondered. And so begins a magical journey of discovery. As she turns forty and the relationship with her secret-agent lover-man Max falls apart, Weetzie packs up her lime green and bright orange bikini, orange suede sneakers, and Pucci tunic, jumps in her '65 mint green Thunderbird, and leaves.

Weetzie finds herself at the enchanted pink hotel in sparkling Los Angeles, where she once shied away from a kiss that may have led her to the love of her life. Now she returns, perhaps in search of her lost passion, and meets an otherworldly cast of characters, among them a blue-skinned receptionist, an invisible cleaning lady, a seductive fawn, and a sushi-eating mermaid who gives her a kiss that sets the wheel of self-discovery in motion.

Block invests every scene with equal shots of magic and realism, rendering her heroine and supporting players in vivid, poetic detail. In *Necklace of Kisses* the fans that have grown up with Weetzie Bat will be able to meet her in adulthood and find that life is still no less trying and no less full of wonder.
