## **Cultura e Elegância: as artes, o mundo e as regras sociais (Portuguese Edition)** Jaime Pinsky

De repente a pessoa se dá conta de que dedicou um tempo enorme a ganhar a vida e sente que perdeu alguma coisa pelo caminho. Pergunta para um o que deve ler, para outro para onde precisa viajar, tenta encontrar regras de comportamento adequadas a seu trabalho e vida social, quer saber o que os museus contêm, para que serve a música clássica, o jazz e mesmo a mpb. Ouviu falar que existe um cinema para além das comediazinhas românticas e dos efeitos especiais e um teatro que apaixona os aficionados. Acha que chegou sua hora de crescer. Para essas pessoas, montamos este livro. Mas não deixamos por menos: convidamos alguns dos maiores especialistas para escrevê-lo: escritores, maestros, críticos de arte, viajantes profissionais, professores, consultores. E o que é melhor: a escrita é séria, mas solta, gostosa de ler. Na medida. Em "Cultura e elegância", o leitor vai encontrar grandes dicas sobre livros de ficção e não ficção que não podem deixar de ser lidos. Informações preciosas que ajudarão a apreciar melhor a música clássica, o jazz e a mpb. Opiniões sobre filmes, peças de teatro, obras de arte e espetáculos de dança fundamentais. Grandes destinos que precisamos visitar, pequenos lugares inesquecíveis que devemos descobrir e museus imperdíveis para desfrutar. O livro apresenta também algumas ideias sobre como receber amigos, que tipo de roupa é mais compatível para cada ocasião, assim como dicas de comportamento no trabalho e em situações sociais. Norbert Elias, grande historiador do século XX, descrevia nossa aproximação com o patrimônio cultural da humanidade como fazendo parte do processo civilizador. É um passo nessa direção que o livro pretende provocar em seus leitores.
