I AM: The Blueprint Of Humanity (Condensed) (Volume 2) Dave Hernandez

This book is a poignant narration voiced by Adam and Christ as letters to humanity that are guided by the author's imagination. A condensed version of the original volume, I AM: The Blueprint of Humanity. It uses extracts from the original version, but all the references and supporting arguments have been stripped away. It's about a journey that starts in the heart and mind of our Trinitarian-God Creator. It ventures through the dark places of your fallen condition to the pastures of your risen state in Christ. It's a recovery expedition into your true identity - the original blueprint of every human being that ever existed. The objective is to clear your pathway so you can find that which mankind has lost - I AM!
