In the tradition of Parish Hadley alumni such as Bunny Williams and David Easton, renowned interior designer Brian J. McCarthy creates dynamic personalities within each home he designs. Known for his attention to detail and love of texture, he brings a refreshing, unique perspective to each of his projects, living and working by the motto that no two homes are ever alike. This beautiful volume explores nine of his favorite projects around the country, from the Hamptons to Southern California. Gorgeous, inspiring photographs, alongside McCarthy's personal, informative text, take the reader through his creative process, offering insight into his inspiration and the design decisions by which his plans become reality. Meticulously layering interior architecture, finishes, furniture, art, and decorating objects, McCarthy creates rooms that seem to have lived lives of their own.
