Communion with God Neale Donald Walsch

Neale Donald Walsch has changed the way the world thinks about God. His books have been translated into twenty-five languages, and his *Conversations With God* series, book 1, book 2, and book 3, have all been *New York Times* bestsellers-book 1 for over two years.

In the *Conversations* books, Walsch shared with his readers the beginning of a sacred relationship, as he began an exchange with God on everything from love and faith, to life and death, and good and evil. And then, as Walsch recounted in *Friendship with God*, something else extraordinary began to happen. His relationship with God began to strengthen and deepen, just as our own relationships do, into a friendship.

Now in **Communion with God**, his most richly intimate book yet, Walsch discovers how to elevate that friendship to a state of communion. In this blueprint for seekers, he reveals The Ten Illusions of Man-the misconceptions we hold about ourselves and our world and our God. He describes with striking clarity how we might heal the great divide that has arisen from these illusions. And as he explores the true meaning of bringing God into our everyday lives, of having the courage of our convictions. Walsch shows us that we can only break free from our illusions when we act always from a place of deep fellowship with all that is holy-a place of communion with God.
