Lily, the beautiful college professor, is about to go on her first assignment as an **escort**--a **lingerie party**! She's nervous, but very aroused at the thought of being a **plaything** for a party. She doesn't know what to expect, but can't wait to release her **inner slut**.

But is she actually able to give up control and let these strangers have their way with her body?

Will she be able to fulfill their darkest desires?
