The Way of Light (Magravandias Chronicles) Storm Constantine

The Third Book of The Magravandias Chronicles

The sudden death of the Emperor Leonid has plunged the empire of Magravandias into chaos. To preserve order, Valraven Palindrake, Dragon Lord of Caradore, reluctantly pledges his support to the young Crown Prince, Gastern.

Concerned for the fate of her adopted country, Varencienne Palindrake, Valraven's wife and Leonid's daughter, embarks on a perilous journey to Magrast to confer with her mother, the Empress Tatrini. But en route, she is captured by the dark magus Taropat and his student Shan, who hope to use her as a pawn in their own intricate game to revive three lost implements of power: the Dragon's Eye, the Dragon's Breath, and the Dragon's Claw.

As Magravandias descends toward a holocaust of bloodshed and warfare, a dark cabal of Fireimages schemes in secret to engineer the coronation of their own chosen successor. And in Caradore, the twin children of Valraven Palindrake summon ancient magics to open the Way of Light and place a True King on the throne.
