All That Glitters: The Fall of Barings John Gapper, Nicholas Denton

John Gapper, associate editor of the Financial Times, and his coauthor Nicholas Denton, now founder of Gawker Media, interviewed all the major players involved in the collapse of one of England's oldest banks.

All That Glitters reveals the Faustian deal struck between the whiz-kid derivatives traders who seemed to be bringing in huge profits and the old guard who were happy to pocket them without asking too many questions. Gapper and Denton present a thrilling, in-depth account of Nick Leeson's motives and methods for hiding the unauthorized speculative trading as well as the final days of Barings and the last-ditch attempts by politicians and bankers to save the bank.
