**Correctional Counseling and Rehabilitation** Patricia Van Voorhis, Emily J. Salisbury

This text presents foundations of correctional intervention, including overviews of the major systems of therapeutic intervention, diagnosis of mental illness, and correctional assessment and classification. Its detailed descriptions and cross-approach comparisons can help students prepare for a career in correctional counseling and can help working professionals better determine which techniques might be most useful in their particular setting. Divided into five parts: (1) A Professional Framework for Correctional Counseling; (2) Understanding the Special Challenges Faced by the Correctional Counselor in the Prison Setting; (3) Offender Assessment, Diagnosis, and Classification; (4) Contemporary Approaches to Correctional Counseling and Treatment, (5) Interventions for Special Populations, and (6) Putting it all together.
