**Some passions are too hot to disguise...**

Former Army intelligence officer Seth Hightower may work with the Hollywood elite as a makeup artist, but he's learned not to trust the rich and famous with anything more than a good time. Only one woman ever tempted him to break his rules about dating actresses--and she left him with the memory of a single night and a lifetime of what-ifs.

Hollywood "It" girl Gia Harris is used to being in the spotlight. But after she witnesses something that puts her life in danger, she needs to avoid prying eyes. Seth's special skills make him the perfect person to keep her famous face out of the news, but their history makes him the last person she wants to be alone with. He's far too tempting--and now, far too close...

As Seth conceals Gia from those who would do her harm, they can't ignore the blistering attraction between them. And when they give in to their cravings, they reveal more about themselves than either of them has ever laid bare before...
