Oxygen

Andrew Miller

Oxygen Andrew Miller

It is the summer of 1997. In England, Alec Valentine is returning home to care for his ailing mother, Alice, a task that only reinforces his deep sense of inadequacy. In San Francisco, his older brother Larry prepares to come home as well, knowing it will be hard to conceal that his acting career is sliding toward sleaze and his marriage is faltering. In Paris, on the other hand, the Hungarian exile László Lázár, whose play Alec is translating, seems to have it all--a comfortable home, critical acclaim, a loving boyfriend, and a close circle of friends. Yet he cannot shake off the memories of the 1956 uprising and the cry for help he left unanswered. As these unforgettable characters soon learn, the moment has come to assess the turns taken and the opportunities missed. For each of them will soon take part in acts of liberation, even if they are not necessarily what they might have expected.

Evoking an extraordinary range of emotions and insights, *Oxygen* lives and breathes beyond the final page.

From reader reviews:

Michael Jackson:

In this 21st century, people become competitive in most way. By being competitive currently, people have do something to make these individuals survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that at times many people have underestimated it for a while is reading. Yeah, by reading a reserve your ability to survive enhance then having chance to stand than other is high. For yourself who want to start reading some sort of book, we give you this particular Oxygen book as basic and daily reading reserve. Why, because this book is usually more than just a book.

Kim McLoughlin:

Information is provisions for anyone to get better life, information currently can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider while those information which is inside former life are challenging to be find than now's taking seriously which one would work to believe or which one the particular resource are convinced. If you obtain the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Oxygen as the daily resource information.

Lawrence Caulfield:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Oxygen can make you really feel more interested to read.

Linda Justice:

What is your hobby? Have you heard that question when you got scholars? We believe that that problem was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person including reading or as examining become their hobby. You need to understand that reading is very important as well as book as to be the matter. Book is important thing to add you knowledge, except your current teacher or lecturer. You get good news or update about something by book. Different categories of books that can you go onto be your object. One of them are these claims Oxygen.
