Aux portes de Tanger (French Edition) Mois Benarroch

À la mort de leur père, la famille Benzimra découvre au travers de son testament l'existence d'un fils illégitime, le fruit de sa relation avec une femme musulmane au Maroc. Pour recevoir l'héritage, la famille se voit obligée de faire tout son possible pour le retrouver. Provenant de lieux aussi distincts que Jérusalem, Madrid, New York et Paris, ils débutent ainsi leur voyage vers Tétouan à la recherche de leur frère perdu ; un voyage dans lequel ils devront se confronter à leurs racines marocaines et à leur judaïsme, un voyage qui les fera réfléchir à leur identité ; un voyage dont ils ressortiront différents. Cette œuvre dévoile comment vit la société israélienne en plein conflit sépharade-ashkénaze, les liens et tensions entre le monde arabe et l'Europe, entre les cultures moyen-orientale et occidentale. Un monde complexe et nuancé dont on ne perçoit souvent que quelques traits grossiers sous l'œil des médias.

Un roman qui traite d'un sujet peu connu, celui des juifs du nord du Maroc, un roman dont l'intrigue porte le lecteur entre humour et érotisme, qui l'emmène jusqu'à l'inceste, mais tout en lui laissant toujours une porte ouverte, un chemin de retour.
