When Southern-born Adelaide Pride follows her Yankee employer to California, she faces a private civil war and re-examines her values of love and honor. Twenty-six-year-old Adelaide Pride stepped out of the horse-drawn buggy to gaze one last time at the charred remains of her childhood home. Six generations of Prides had lived and entertained there under warm Southern skies. That was before the Civil War robbed Addie of her youth, her parents, and the man she would have married! Fortunately, an aunt and uncle had taken her in, but they could scarcely afford to feed themselves. Not wishing to remain a burden, Addie accepted a position as a companion to a Yankee spinster at a health spa in Napa Valley, California. Very soon she would journey by train to the remote land that was untouched by conflict and overflowing with financial prosperity and social opportunities. Did she dare to hope that her dreams of love and belonging were yet possible?

Bestselling author Jane Peart takes readers to the Old West in the Westward Dreams Series with five novels of excitement, adventure, and romance. From mining camps to California vineyards, you'll meet women who must find a new life for themselves in a difficult, sometimes hostile environment. But with persistence, principle, and a steadfast faith, they not only survive, they thrive.
