Sharia Versus Freedom: The Legacy of Islamic Totalitarianism

Andrew G. Bostom

Sharia Versus Freedom: The Legacy of Islamic Totalitarianism Andrew G. Bostom

Author Andrew G. Bostom expands upon his two previous groundbreaking compendia, *The Legacy of Jihad* and *The Legacy of Islamic Antisemitism*, with this collection of his own recent essays on Sharia - Islamic law. The book elucidates, unapologetically, Sharia's defining Islamic religious principles and the consequences of its application across space and time, focusing upon contemporary illustrations.

A wealth of unambiguous evidence is marshaled, distilled, and analyzed, including: objective, erudite studies of Sharia by leading scholars of Islam; the acknowledgment of Sharia's global "resurgence," even by contemporary academic apologists for Islam; an abundance of recent polling data from Muslim nations and Muslim immigrant communities in the West confirming the ongoing, widespread adherence to Sharia's tenets; the plaintive warnings and admonitions of contemporary Muslim intellectuals - freethinkers and believers, alike - about the incompatibility of Sharia with modern, Western-derived conceptions of universal human rights; and the overt promulgation by authoritative, mainstream international and North American Islamic religious and political organizations of traditional, Sharia-based Muslim legal systems as an integrated whole (i.e., extending well beyond mere "family-law aspects" of Sharia).

Johannes J. G. Jansen, Professor for Contemporary Islamic Thought Emeritus at Utrecht University, says this book "will prove sobering to even staunch optimists."
