What Hides Within Jason Parent

An award-winning horror/mystery loaded with dark comedy!

Inside all of us, there is darkness. Inside Clive, it's tangible, and it's aching to get out.

What Hides Within tells the story of a man held captive by an unknown evil. Clive Menard is a spineless slacker leading an ordinary existence. But when Chester enters his life, it becomes far from ordinary.

A disheveled Clive stands alone in a hospital waiting room. A series of incidences have led him to undergo unnecessary neurosurgery. A voice inside Clive's head nags him to kill the doctor.

Weeks prior, a murder investigation and an unrelated kayaking excursion set the story's interlocking events in motion. When a remorseful killer, a bomb-happy psychopath and a mysterious widow spider converge upon Clive, they bring with them destruction and death. Clive must discover who or what is steering his very existence before he, too, is consumed by the carnage around him.

With a driven detective following his every step and a vicious killer hiding within his circle of friends, Clive must walk a narrow and dangerous path, teetering between salvation and damnation. He must confront Chester and his own demons. But is he powerless to overcome them?

What Hides Within was an EPIC Finalist, was Runner-up for "Best Horror" in eFestival's Independent eBook Awards and has been named to Best of 2012 by A Thousand Lives book blog.
