## **California Civil Litigation (Study Guide)** Susan Burnett Luten

This is the only litigation text for paralegals written specifically for California. It has been completely updated to include changes in the law over the past three years, revised exemplars, and new assignment sets. It covers federal and California state litigation chronologically from initiation of the suit through appeal. Discussion Questions and Assignments at the end of each chapter further develop chapter concepts. Written in plain English, avoiding unnecessary legalese, for beginning paralegals.
