De Valera: Long Fellow, Long Shadow Tim Pat Coogan

Eamon de Valera - 'The Long Fellow' - remains a towering presence whose shadow still falls over Irish life. The history of Ireland for much of the twentieth century is the history of de Valera.

From the 1916 Rising, the troubled Treaty negotiations and the Civil War, right through to his retirement after a longer period in power than any other 20th-century leader, Eamon de Valera has both defined and divided Ireland. He was directly responsible for the Irish Constitution, Fianna Fail (the largest Irish political party) and the Irish Press Group. He helped create a political church-state monolith with continuing implications for Northern Ireland, the social role of women, the Irish language and the whole concept of an Irish nation. Many of the challenges he confronted are still troubling the peace of Ireland and of Britain, and some of the problems are his legacy.

Tim Pat Coogan's comprehensive study of this political giant is a major addition to the history of Irish-British relationships.

Sharon Hite:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this De Valera: Long Fellow, Long Shadow can make you sense more interested to read.
