**Monkey: A Journey to the West** David Kherdian

Part

spiritual pilgrimage, part historical epic, the folk novel

*Journey*

*to the West*

,  
which came to be known as

*Monkey*,

is the most popular classic of Asian literature. Originally written in the sixteenth century, it is the story of the adventures of the rogue-trickster Monkey and his encounters with a bizarre cast of characters as he travels to India with the Buddhist pilgrim Tripitaka in search of sacred scriptures. Much more than a picaresque adventure novel,

*Monkey*

is a profound allegory of the struggle that must occur before spiritual transformation is possible. David Kherdian's masterful telling brings this classic of Chinese literature to life in a way that is true to the scope and depth of the original.
