Tales from High Hallack, Volume One: The Collected Short Stories of Andre Norton: 1 Andre Norton
For the first time, the Grand Dame of science fiction—Andre Norton—has her short stories gathered for her fans' reading pleasure. Tales reach back to the thirties, as fresh and relevant today as they were when she wrote them . . . such was Andre's skill. High fantasy, fables, science fiction, coming of age stories, and more fill three volumes. This impressive, must-have collection includes stories of Witch World. There are cats sprinkled here and there, as Andre treasured them so. And there is magic in the writing, unequalled prose to delight readers of all ages.

High Hallack was a place in Andre's fiction and also the name of her genre writer's library she opened in Tennessee. It is a wondrous keep that she called home, and now High Hallack opens its gates and allows these amazing stories to tumble out.

Lose yourself in her enchanted words, and read them again and again.
