The Karma of Jesus Mark Herringshaw

Are you reaping what you've sown?

Whether we call it Karma or not, life seems to be based on cause and effect. If we do something good, we expect (or hope) good will return. Do something bad, and bad will result. Indeed, the ancient idea of Karma--reaping what we sow--is recognized in almost every religion in the world. But this principle sets an inescapable trap: If "what comes around goes around," then every small mistake will haunt us to the bitter end.

Is that it, though? Is this our destiny?

In this provocative book, Mark Herringshaw boldly explores two mutually exclusive visions of life: Karma and grace. Prompted by a chance-conversation with a spiritually curious young man, he gives us a probing look at the implications of Karma and the relevance of Christ's life.
