I've loved him forever, but he can never be mine.

Brittany is determined to prove herself to the Dark Guardians. And yet she's been keeping a devastating secret: She hasn't experienced any of the intense, early signs of change that mark a Dark Guardian's transformation. The only intense feelings she has are for Connor—and she's kept that a secret, too. But she knows she'll never truly have Connor's love if she's not a Shifter like him.

At the first full moon after her birthday, her greatest fear is realized: She doesn't transform. Brittany is so desperate to become a wolf that she'll go to extremes she never thought possible . . . and put all the Dark Guardians in incredible danger.
