Key Issues in Education and Social Justice (Education Studies: Key Issues)

Emma Smith

Key Issues in Education and Social Justice (Education Studies: Key Issues) Emma Smith

'This excellent book considers the extent to which policy and practice, particularly in the UK, have led to a more equitable education system and ultimately to a fairer society. The ideas and arguments are extremely accessible, wide-ranging and well-informed. A welcome addition to the reading list and one that I can highly recommend' - **Jane Bates, Programme Leader fo Education Studies, Manchester Metropolitan Univeristy**

Inequalities can be experienced in different forms, from birth to school experiences to the many different modes of learning as we grow up.

This book focuses on educational experience as a lifelong and society-wide issue. The author draws on research, policy and contemporary thinking in the field to provide a comprehensive guide to the educational inequalities that may exist and persist throughout an individual's educational course.

Providing an international perspective on different ethnic, gender and social groups, the book covers a broad range of issues, including:

- theoretical, policy and research developments in the area

- inequalities that may exist during the years of schooling

- government policy

- beyond the school classroom

This book is essential reading for undergraduate students on Education-Studies programmes. It is also useful for students on Masters and Initial Teacher Education programmes.

Emma Smith is Reader in Education at the University of Birmingham
