The Swimmer Joakim Zander

A deep-cover CIA agent races across Europe to save the daughter he never knew in this electrifying debut thriller—an international sensation billed as “*Homeland* meets Stieg Larsson” that heralds the arrival of a new master sure to follow in the footsteps of Stieg Larsson, John Le Carré, and Graham Greene.

In the end, you cannot hide who you are.

Klara Walldéen was raised by her grandparents on a remote archipelago in the Baltic Sea, learning to fish and hunt and sail a boat through a storm. Now, as an EU Parliament aide in Brussels, she is learning how to navigate the treacherous currents of international politics: the lines between friend and enemy, truth and lies.

But Klara has accidentally seen something she shouldn't have: a laptop containing information so sensitive that someone will kill to keep hidden. Suddenly, she is thrown into a terrifying chase across Europe, with no idea who is hunting her or why.

Meanwhile, in Virginia, an old spy hides from his past. Once, he was a man of action, an operative so dedicated that he abandoned his infant daughter to keep his cover. Now, he is the only man who can save Klara . . . and she is the only woman who can allow him to lay old ghosts to rest.

From reader reviews:

Eleanor Sotomayor:

What do you concentrate on book? It is just for students as they are still students or it for all people in the world, exactly what the best subject for that? Merely you can be answered for that query above. Every person has distinct personality and hobby per other. Don't to be pressured someone or something that they don't want do that. You must know how great and important the book The Swimmer. All type of book could you see on many options. You can look for the internet options or other social media.

Terry Kiser:

The Swimmer can be one of your nice books that are good idea. Most of us recommend that straight away because this publication has good vocabulary that could increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The author giving his/her effort to put every word into enjoyment arrangement in writing The Swimmer nevertheless doesn't forget the main position, giving the reader the hottest in addition to based confirm resource information that maybe you can be considered one of it. This great information can easily drawn you into fresh stage of crucial pondering.

Karl Henderson:

Are you kind of hectic person, only have 10 or even 15 minute in your moment to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are having problem with the book when compared with can satisfy your limited time to read it because pretty much everything time you only find publication that need more time to be learn. The Swimmer can be your answer mainly because it can be read by you who have those short spare time problems.

Erika Yoon:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Swimmer can make you really feel more interested to read.
