Oration on the Dignity of Man

Giovanni Pico Della Mirandola

Oration on the Dignity of Man Giovanni Pico Della Mirandola

This translation of Pico della Mirandola's famed "Oration," hitherto hidden away in anthologies, was prepared especially for Gateway Editions, making it available for the first time in a single volume.

The youngest son of the Prince of Mrandola, Pico lived during the Renaissance—an era of change and philosophical ferment. The tenacity with which he clung to fundamental Christian teachings while crying nut against his brilliant though half-pagan contemporaries made him exceptional in a time of exceptional men. While Pico, as Russell Kirk observes in his introduction, was an ardent spokesman for the "dignity of man," his devout nature elevated humanism to a truly Christian level, which makes his writing as pertinent today as it was in the fifteenth century.
