A great evil has awakened in the land of Corona: a demon determined to spread death and misery. His goblin armies and fearsome giants ravage the settlements of the frontier, and in the small village of Dundalis their merciless attack leaves behind two shattered orphans: Pony and her lifelong friend Elbryan. Taken in by elves, Elbryan is raised to become a formidable ranger—a fateful role that will lead him into harrowing confrontation.

Meanwhile, on a far-off island, a shower of gemstones falls onto the black sand shores. These heaven-sent stones carry within them an incredible power—the key to all that is good and all that is evil in the world. Now it’s up to one young monk to liberate them from the corrupt monastery that harvests them. Pray that they don’t fall into the wrong, clawed hands.
