This set includes *Growing Little Women* and *Growing Little Women for Younger Girls*.

In *Growing Little Women*, Donna Miller will provide you and your special girl with teachable moments from the Word of God. In a time where modesty is of little value and many kids have had at least one sexual encounter before graduating high school, children are growing up faster than ever. They experience pressures that, in days past, we're not faced until adulthood. They encounter situations that many adults will never meet. So how do we teach our girls to follow God when life around them at school, in magazines, and on TV teaches them to follow nothing but their passions and desires? How to we share with them that Jesus is the answer to their every question and the fulfillment of their heart's desires? Filled with engaging stories, fun activities, and lessons on life, *Growing Little Women* will help you prepare her to become a godly woman and establish a bond with her that will smooth her passage to womanhood. In just one hour a week you can impact the future of that special young lady and nurture a friendship that will last forever. Time is ticking. Don't let it get away. Teach your children to choose the right path, and when they are older, they will remain upon it. - Proverbs 22:6 NLT.

In *Growing Little Women for Younger Girls*, this workbook will help mothers prepare their 6-9 year-old daughters to grow in their faith in God. Parents desperately need something to grasp onto, a practical way to get their children interested in Jesus Christ and the plans He has for them. *Growing Little Women for Younger Girls* meets a mother's unique need to spiritually connect with her young daughter(s).
