**Night-Night, Wooly (A Blabla Book)** Florence Wetterwald

**This photographic board book from the creators of the blabla brand follows sleepy, sleepy Wooly as he gets ready for bed while, along the way, getting into one funny moment after another.**

Blabla was created in 2001 by Susan Pritchett and Florence Wetterwald, two good friends with the same philosophy of life and beauty.??

While visiting Peru,? they ?came across entire villages of ?expert ?knitters? who ?had been keeping the tradition alive for generations.? ?Inspired by their ?talent and ?touched by their ?gentle ?spirit,? ??they decided to start a company of knitted products for children??.? ?They have? ?now? ?been collaborating with the same artisans for? ?over a decade.??

?

?With a commitment to fair trade, and keeping environmental awareness in mind, blabla's mission is to continue to inspire joy and laughter.?

*From the Board edition.*
