## **The Magic of Oz** L. Frank Baum

Curiously enough, in the events which have taken place in the last few years in our “great outside world,” we may find incidents so marvelous and inspiring that I cannot hope to equal them with stories of The Land of Oz.

However, “The Magic of Oz” is really more strange and unusual than anything I have read or heard about on our side of The Great Sandy Desert which shuts us off from The Land of Oz, even during the past exciting years, so I hope it will appeal to your love of novelty.
